

WE CAN HELP BRING YOUR PROJECTS TO LIFE **ON TIME. ON BUDGET. ON SCOPE.**

The 4xi PMO is a project management service that ensures your success through projects and complexity.

OUR VISION

To provide you with functional Program Management leadership to implement your projects using best practices for the benefit of your business units and external customers. We are committed to collaboration, standardization, and overall improvement in project results across the organizational landscape.

4XI PMO BRINGS KEY STRENGTHS TO YOU AND YOUR ORGANIZATION TO:

REDUCE RISK

PROVIDE OVERSIGHT AND COMPLIANCE

MANAGE STAKEHOLDERS

COMPLETE YOUR PROJECT ON TIME AND ON BUDGET

OUR PMO WILL REVIEW AND ENGAGE THE TEAM; MANAGE RESOURCES BOTH INTERNAL AND EXTERNAL; EXECUTE PROJECT MANAGEMENT PLANS; AND DIRECT AND MANAGE PROJECT EXECUTION.

OUR METHODOLOGY

Our methodology brings standardization to your project using proven processes, tracking, and tools. Close monitoring of change or delays and adjusting the scope to support the evolving needs of the project requires leadership and commitment. 4xi brings your projects leadership and successful outcomes.

We give you consistent and accurate results while reducing your project costs and facilitating the completion of your project with clearly defined objectives, goal setting, monitoring, and reporting. Executing project management requires clarity, discipline, consistency, and resilience. 4xi PMO executes your projects by ensuring your resources are responsibly engaging your teams, suppliers, and stakeholders. Staying on top of details is how projects stay on track.

Our PMO provides complete transparency using collaborative tools and steps up to truly participate in your project, so it runs smoothly, and risk is mitigated.

Project Analysis and Oversight 4xi PMO guarantees you can be confident that your project is in capable hands.

Performance measurements, tracking milestones and delays and assessing risk constantly to ensure your project comes in on time and on budget.

Let the 4xi PMO bring excellence to your projects by implementing sound project management practices. Let us help you ensure visibility to workload across the business and assist in project prioritization. We will deliver your project on time, on budget, and on-scope.

WHITNEY GOULISH

Whitney has over 12 years of experience in both the business and nonprofit sectors, with unique experiences in the sports industry across the United States. She excels in business operations and strategy, focusing on increasing sales, reducing expenses, and streamlining processes to boost efficiency. Whitney has successfully turned around several failing businesses.

Her diverse background includes work in Entertainment, Healthcare, Food and Beverage, and Logistics. Whitney leverages her strong business acumen and Data Analytics skills to drive informed decision-making and manage projects effectively. She excels at designing, developing, and managing projects from inception to successful conclusion, prioritizing on-time, on-scope, and on-budget delivery.

As a leader of the Project Management Office (PMO), Whitney ensures that customer projects meet their objectives efficiently. Her expertise is available on a consulting basis, offering support for individual projects or ongoing expertise. Whitney and her team at 4xi are dedicated to driving positive change and impactful results.
